

1. Man : Hi, Mary. Sorry, I'm late.

Woman : That's okay.

I just got here a few minutes ago.
And I brought my friend Diane along.
Let me introduce her to you.

Man : OK. Where is she?

Woman : She's sitting on the bench.

Man : Well, there're two benches. Which
one are you talking about?

Woman : The one under the tree.

Man : You mean the girl next to the
little boy?

Woman : That's right. She's reading a book.

Man : Oh, I see. She's so pretty.

Woman : Yes, she is. And she loves reading.

2. [Phone rings; pickup]

Man : Sun Travel. May I help you?

Woman : I'm calling about the position for
a tour guide. Is it still open?

Man : Yes, it is.

Woman : What kind of person are you looking
for?

Man : Someone with experience in the
travel business. You must be good with
people and speak at least one
foreign language.

Woman : If I wanted the job, what would I have
to do?

Man : You would have to come in, fill out a
form, and make an appointment for an
interview.

Woman : OK. Thank you.

3. Man : Susan't always making me angry.

Woman : Why? What happened this time?

Man : Well, you remember she offered to help
me with my science report?

Woman : Yeah, I do. Wasn't it when we went to
the museum together on Friday? Susan
promised to visit your house on
Saturday, didn't she?

Man : Right. But she never came by.

Woman : Wow, didn't she call you?

Man : Not even once. So, I tried to get in
touch with her, but I couldn't. And on
Monday when I saw her at school, all
she said was sorry. That's all.

4. [Phone rings; pickup]

Woman : Hello.

Man : Hey, Mary. What are you doing?

Woman : Nothing special. Why?

Man : Why don't we go see a movie? I have two
tickets for Titanic.

Woman : That sounds great! When does the movie
begin?

Man : At six.

Woman : Well, how about meeting an hour and a
half early? I'll treat you to dinner at
the restaurant we went to last week.

Man : That'd be nice. What time is it now?

Woman : Four o'clock.

Man : Then, I'll meet you in half an hour.

Woman : OK, see you then.

5. Woman : Today's class was very interesting,
Mr. Baker.

Man : Oh, really, Su-jin?

Woman : Yeah, I liked the way you explained how
plants bear fruit.

Man : I'm glad you liked it. Will you do me a
favor?

Woman : What is it, Mr. Baker?

Man : Please take these books to the teachers'
room.

Woman : Sure. Anything else?

Man : Yes. In fact, I've got some work to do here in the classroom. So can you close the door when you leave?

Woman : I'd be happy to. Bye, Mr. Baker.

Man : Thanks. See you in class tomorrow.

6. There are a few things you should keep in mind when you travel in another country. Safety is very important, so you should keep your room locked at all times. If something is stolen, you probably can't get another one easily. Also you should never walk alone at night because it can be dangerous. Lastly, be sure to eat only fresh food, or you may become sick. Getting sick in a foreign country can turn your trip into a terrible experience. I want you to have a great time. So please don't forget this advice.

7. Man : Jane, can you come down with me and help out at the front desk?

Woman : Well, I'm pretty busy right now. I have a report to finish by 5 o'clock this afternoon. And it's already 10:30.

Man : But there's a tour group that's coming here in thirty minutes. And I have to get ready for them.

Woman : Okay, I'll help you out. But I really need to spend the afternoon finishing this report.

Man : Don't worry. It should only take about an hour. So, you can come back and work on the report in the afternoon.

Woman : All right. I'll be down right away.

8. Man : Lisa, what's your plan for this Saturday?

Woman : I'm going to visit a farm that needs

some help. It's part of our school program.

Man : You mean a community activity?

Woman : That's right. With so many people moving to the city, many farmers need help, especially in the fall.

Man : Our school has some community programs too, but I can't decide which one to take part in.

Woman : Well, why don't you come along with me and see if you like it?

Man : Good idea. In fact, I've never been to a farm before.

9. Woman : Your personal record is very impressive, Mr. Jefferson. And you have a good letter from your boss, too.
an : Thank you, ma'am.

Woman : But I wonder why you decided to change jobs.

Man : That's because I like cooking. And I think working in a hotel as a cook is more creative than a sales manager.

Woman : But I'm afraid our hotel doesn't pay as much money as you expect.

Man : I think interest is more important than money. And besides, I want to do what I really enjoy doing.

Woman : It sounds like you really love cooking.

10. Man : Hi, Su-jin, you look so happy. What's up?

Woman : Do you remember the penpal I told you about before?

Man : You mean the girl from Canada?

Woman : Right. She sent me a letter with her picture. And guess what? She's coming to Korea and wants to visit me. I can't believe it!

Man : Really? She's coming just to see you?

Woman : No. She's coming as an exchange student
for a month. And then she's 1 stay at
my house for a week.

Man : Fantastic! You're so lucky!

Woman : I really can't wait to meet her!

11. Good morning. This is Jim Star. Today will
be mostly cloudy with a little wind from the
south. You won't have to take your umbrella
with you, since no rain is expected today.
Tomorrow, however, you'll have to carry your
umbrella again. There will be a strong
chance of showers tomorrow. But the day
after tomorrow, it'll be sunny again, and
the clear weather should continue for a
while. Thank you for joining us.

12. ① Woman : Why do you think this book is
interesting?

Man : Because it has so many pictures.

② Woman : Give me ten stamps and two postcards,
please.

Man : That'll be seven fifty.

③ Woman: Could you hand me the salt, please?

Man : Sure. But the eggs are already too salty.

④ Woman: Make sure you fasten your seat belt.

Man : OK. I'll call you when I arrive.

⑤ Woman: Is there anything I can do for you?

Man : Yes, I'd like to buy a shirt for my
brother.

13. Woman: I'm glad this week is over.
It was a long week.

Man : Well, how about cycling to the lake
tomorrow? We haven't been there for a
long time.

Woman : Sounds great. I really need a change,
but isn't it supposed to rain tomorrow?

Man : Well, I haven't heard that.

Woman : I'm pretty sure it's going to rain.
They said so on TV.

Man : Maybe it's not such a good idea, then.

Woman : _____

14. Woman: Hi, John. How are you?

Man : Not very well. My throat hurts.

Woman: I can tell. You ought to go home and get
some rest.

Man : I wish I could, but I have a really
hard exam tomorrow.

Woman: What exam do you have?

Man : It's my least favorite subject, science.

Woman : Oh, I love science. Would you like me
to help you study?

Man : That would be great. Are you sure you
have the time?

Woman: Yeah. I don't have an exam for a few
days.

Man : _____

15. Man : Hi, Su-mi, congratulations!

I heard on the radio that your sister
won the golf champion-ship.

Woman : Thanks. I'm so proud of her. You know,
we're going to have a party for her.
Can you come over?

Man : I'd love to. When?

Woman: This Friday at 6 o'clock.

Man : This Friday! Oh, no! I have an
appointment to see the doctor at 6.

Woman: You can come a little bit later.

Man : I wish I could. But right after that, I
have to catch the train to see my
grandpa. Sorry I can't make it.

Woman: _____

16. Today, I'd like to talk about the future of
education and our daily lives. As you know,

the computer has changed our lives a lot. By the beginning of the 21st century, education will be quite different from now. For example, with computer technology, you may be able to take courses at home. And if you have a notebook computer, you may even take courses in buses, subways, or wherever you happen to be. Perhaps in the future, because of advances in technology, you may no longer have to go to work. Your job will be done at home on computers. Therefore, _____.

17. Man : Suppose you are leaving on a long trip tomorrow. Because you have to leave early in the morning, you think you'd better call Jane, your best friend, and say goodbye to her tonight. But you wonder if it's OK to call since it's too late at night. It's already past eleven o'clock. You finally decide to call, but her father, Mr. Smith, answers. It's clear that he's been in bed. In this situation, what would you say to him?

Man : "Hello, Mr. Smith. _____?"
