Man : What picture is that, Susan?
 Woman: Look. My father's here.
 Man : Which one is him?
 Woman: Have a guess.
 Man : Does your father wear glasses?
 Woman: No, he doesn't. He's in a grey suit with a checked tie.
 Man : A checked tie? Then this gentleman must be your father.
 Woman: Yes, that's right.
 Man : Umm. He's taking notes. He looks busy.

2.

Woman: Excuse me, sir. Are you Mr. Johnson of the Ford Company by chance?
 Man : That's right.
 Woman: I'm Julie Brown from the Toronto office. How are you?
 Man : Very well, thank you, Ms. Brown. Sorry if I kept you waiting.
 Woman: That's OK. It happens all the time at this airport. What was your flight like?
 Man : Very crowded. I had trouble getting through customs, too.
 Woman: I can see why. You have lots of bags. Let me help you.
 Man : Thanks a lot.
 Woman: Come this way. My car's in the parking lot.

3.

Man : Mom, you look cheerful today. What's the occasion?
 Woman: Your sister's novel is a bestseller now.
 Man : Good for her. She deserves it. Years of hard work finally pay off.
 Woman: Actually, another bit of good news for her.

Man : Tell me now. I'm curious.
 Woman: Her novel will be published in Russia.
 Man : That's wonderful. I wish I could read Russian.

[Telephone rings]
 Please leave your message and phone number.
 (Beeps)
 Woman: Hi! This is your student, Helen. You seem to be very busy, but I'd like to ask you a favor. I want to enter an English speech contest next month. So I'd like someone to check my pronunciation. Do you think you can help me? I'll stop by at your office tomorrow. I hope to be ready by November 17th. Sorry to give you trouble in the middle of the semester. Just in case, I'll leave my phone number. It's 345-7575. Thank you.
 Bye!

5.

Man : Do you know about the Happy Birthday Sale?
 Woman: Yes, let's hurry to the sports shop.
 Man : What do you want to buy?
 Woman: A Wimbledon tennis racket. I saw a good one last week. It was 100 dollars, but we can save 20% today.
 Man : Yeah, 20% off! That's really a good buy.
 Woman: Hurry up! It'll be gone.

6.

Woman: Excuse me. I need to go to Happy Valley.
 Man : I'm afraid there's no train today.
 There's been an accident.
 Woman: Oh, no! Can I get a Taxi?
 Man : You could, but traffic is very bad at
 this time of day.
 Woman: So I can forget about the bus, too.
 Man : Quite so. I think the best way is to
 take the underground.
 Woman: The underground? Oh, you mean the
 subway!
 Man : Yes, ma'am. Take Subway Line Three and
 get off at Central Station. But it will
 take over an hour.
 Woman: Thanks a lot.

7.

Man : What are you doing now, Kathy?
 Woman: I'm writing a letter to my daddy in
 Australia.
 Man : What? Your father's in Australia?
 Woman: Yes, he's been there for training since
 last July.
 Man : Oh, I see. How long will he be there?
 Woman: He has three more months of training.
 Man : Does your father work in international
 trade?
 Woman: No, he's an engineer.

8.

Woman: Want to sleep better? Then try
 exercising daily. There's a close
 relationship between sleep and exercise.
 Studies show that people who walk daily
 have fewer sleep problems than those

cut the chance of sleep difficulties by
 50 percent. However, late evening walks
 can actually be bad for a good night's
 sleep, particularly if you're moving at
 a fast pace. Pleasant walking, and
 sweet dreams!

9.

Man : Thank you very much, ladies and
 gentlemen As director of this show,
 it's my job to bring down the curtain.
 I'd like to thank you all again for
 coming here to enjoy our show,
 especially in such bad weather.
 Unfortunately, the rain tonight was
 unexpectedly heavy. But thanks to you,
 and your umbrellas, that didn't pour
 cold water on our show.

10.

Man : Excuse me. I've got this train ticket
 from Seoul to Mokp'o for November 20th,
 but I've changed my plans. Is it
 possible to put off my trip until the
 25th?
 Woman: You want to change your reservation
 from the 20th to the 25th?
 Man : Yes, correct.
 Woman: Is that one way or round trip?
 Man : One way.
 Woman: What time of day would you like to go?
 Man : In the morning, please, if there's a
 service.
 Woman: Morning. OK, I'll just check in the
 computer.

11.

Woman: Look, here's a job for you.
 Man : Oh, Thailand. It's nice and hot there. I hate this cold weather.
 Woman: Yes, you've really had a hard time this winter. But the pay isn't as good as here.
 Man : I don't care. As long as the weather is good, no problem. And look, free housing.
 Woman: Do you have two years of teaching experience?
 Man : Sure, this is my third winter here.
 Woman: Just close your eyes. Think of the weather in Bangkok.
 Man : I'm already looking forward to a long, hot vacation at the beach.

12.

Man : Hi, Pat! Where are you running to?
 Woman: I must go home right away. There's a TV program I shouldn't miss.
 Man : A TV program? You mean the "Techno Music Concert"?
 Woman: No, that's not it. Techno is not my kind of music.
 Man : Then what?
 Woman: It's a TV discussion on politics.
 Man : Are you interested in politics?
 Woman: Yes, I want to be a politician in the future.
 Man : Really? I'll vote for you then.

13.

 Man : Sure, make yourself at home.

- ④ Woman: Can I try this on?

Man : Certainly. The fitting room is over there.

- ⑤ Woman: Mmm, it smells delicious. What's in it?

Man : It's made with fish and vegetables.

14.

Woman: I want to check these two books out, please.
 Man : You can take this one out, but that one you can't.
 Woman: Why not?
 Man : That one is a dictionary. Dictionaries can't be checked out.
 Woman: Oh, I didn't know that.
 Man : Sorry, but it's our library's rule.
 Woman: No problem. When do I have to return this book? I mean the due date.
 Man : _____

15.

Woman: What are you going to do this Sunday?

 Woman: Do you think Bob can come?
